

KAZAKH NATIONAL WOMEN'S PEDAGOGICAL UNIVERSITY

Department of Preschool and Primary Education

Public association «OYNA institute of childhood»

INFORMATION LETTER

Dear colleagues!

Department of Preschool and Primary Education of Kazakh National Women's Pedagogical University holds an International scientific and practical online conference «**Modern preschool education: transformation, development vectors**» on **November 24, 2021**, dedicated to the 30th anniversary of Independence of the Republic of Kazakhstan.

The purpose of the online conference is to reflect on the problem and summarize the real experience of the development of preschool education in the context of globalization and the transformation of science and education.

THE PROBLEM FIELD OF THE CONFERENCE

Section 1. The modern image of childhood and the development vectors of preschool education;

Section 2. Socio-psychological mechanisms of successful implementation of preschool education and training;

Section 3. Continuity of preschool and primary education as a quality assurance resource;

Section 4. Preschool inclusive and special education: from theory to practice;

Section 5. Pedagogical management in the conditions of transformation of preschool education and training;

Section 6. Professional training of teachers in the modernization of preschool education.

Order of participation in the conference

The conference involves full-time (online), correspondence participation.

Articles are accepted in Kazakh, Russian and English.

An ISBN code is assigned to the conference proceedings.

To participate in the conference it is necessary to send to the Organizing Committee the materials for publication and the registration form of the conference participant. The materials should be submitted in electronic form by e-mail: izmagambetova.0@qyzpu.edu.kz with a note "Participation in the conference".

Requirements for the design of materials

Articles of up to 7 pages are accepted for publication. The text should be prepared in a text editor – Microsoft Word (with *.doc extension). Before typing the text, please set the following text editor parameters: all margins 2 cm, font Times New Roman, size - 14, line spacing - single, alignment to width, paragraph indent 1 cm, orientation of the sheet

- portrait. On the first page at the top of the title of the thesis is printed in capital letters, aligned to the centre. The initials and surname of the author(s) are printed under the title in italics, the city is also printed under the surname in italics in brackets, aligned to the centre. Then the abstract and keywords are submitted in Kazakh, Russian and English language.

Next is the text of the article, aligned to the width of the page.

The list of references is given at the end of the article in alphabetical order and is drawn up according to GOST 7.1-2003. In the text, the ordinal number and the source page are given in square brackets. The list of references should contain only those sources that are referenced in the text of the article.
