- Adaptive leaders in teaching and learning
- Diverse, inclusive and for equality of opportunity in society

THE RATIONALE BEHIND THE EDUCATION PROGRAM

Topically of EP: In modern society, religious factors have a significant impact on cultural, political and economic processes, and the study of the political and religious situation is of particular importance. This program is aimed at studying the issues of theoretical religious studies, the history of religion, the philosophy of religion and scientific religious studies. The program is aimed at a detailed study of the main religious concepts. Students receive basic knowledge in the field of philosophy and cultural studies in the context of the study of religion. An important place is given to the original version and the study of various religious rites.

Coincidence with similar EP of leading universities in the near and far abroad

Russian State Humanitarian University - 10%. Moscow State University named after M.V. Lomonosov - 20%, University of Cambridge (England) - 20%, National University of Singapore 20%, Uzbekistan International Islamic Academy - 20%, Kyrgyz-Russian Slavic University named after B.N. Yeltsin 20%
