

Commercial startup

Startup At the traditional "STARTUP-TOMIRIS" innovation projects competition held at the Kazakh National Women's Pedagogical University, second-year students of the Pedagogy and Psychology major from the Department of Psychology won second place. Under the supervision of teacher Dinara Ermakhanbetovna Abdramanova, their project titled "365 Games and Coloring Pages for Every Day," aimed at developing the cognitive abilities of preschool children, was highly praised. Our winning students are Akhanova Anar, Nurlankyzy Akerke, Kurmangaziyeva Adiya, Erbolatova Akbota, and Tutkiyeva Erkenaz. Their achievement is a clear demonstration that the competition supports the development of creative potential and innovative thinking.
